

North Central State College
Student Nurses' Association
Meeting Minutes
February 6, 2008

Call to Order: 9:03 a.m.

Attendance: Heather Baker-Berry, Dawn Gosser, Kelly Gray, Troy Sprague, and Abby Vines

Discussion:

1. The group reviewed the minutes from the January 9th meeting.
2. The collection for Ashland Christian Health Center was a big success with a total of four full boxes obtained. Heather moved to use \$100 of SNA funds to purchase instant coffee, a heavy-duty paper shredder, and a case of copy paper to "finish" off the gift. Abby seconded and the motion was approved. Kelly will speak to Jean to see when the SNA group can present the gift to Dr. Snyder at the Clinic during the next few weeks.
3. SNA will promote a Super Sweet Sale during February with all remaining t-shirts on sale for \$10. First aid kits (sold in pairs) and tote bags are also available for \$10. Heather will update the bulletin board. Sales will be made with Betty in the office or Kelly in her office.
4. We are still looking for anyone interested in going to NSNA National Convention over spring break. Abby plans to attend if anyone will join her. Troy will ask the freshman class to see if anyone is interested.
5. Chris Russell will be joining Abby and Kelly on the trip to Africa. More slots are available if others wish to go.
6. The senior nursing class will be polled by each class representative to see if there is a majority interest in a composite graduation photo package (\$25), if the preference is for wearing the nursing uniform or cap and gown, and whether most students plan to attend the pinning ceremony on graduation day. Results of the poll will need to be reported back to Kelly.

Meeting adjourned: 9:45 a.m.
