

How to Access Your NC State College Web-Based/Enhanced Blackboard Courses

To Access your class' Blackboard course site, you will need a computer with access to the Internet. Follow these Steps:

1. Open up Internet Explorer
2. Single-click the blank to the right of "Address"
3. Type in <http://bbd.ncstatecollege.edu>
4. Hit the "Enter" key on your keyboard

5. Click the gray "Login" button
6. Enter your Username and Password
Your Blackboard username is: the first 5 letters of your last name (lowercase) + your first initial (lowercase) + the month of your birth (two digits) + the day of your birth (two digits). Example: Rene Descartes, born March 31 username = descar0331
Your initial Password is: the last four digits of your Social Security Number. Example: Rene's SSN is 123456789 so his password would be: 6789

USERNAME:

PASSWORD:

Login

7. Click the "Login" button

You will now be at your initial Blackboard page where you can access all NC State Course Sites you are enrolled in. When you are done, click the "logout" icon at the top of any blackboard page

For further help:

Click the "Help" Icon at the top of any Blackboard page (see image at left). This will take you to the NC State Blackboard self-help support materials. Alternately, phone support is available thru the IT Help Desk, Monday thru Friday, 8am-5pm at: (419)755-4734
