*** Mandatory Math Placement - All incoming students will be required to take the COMPASS placement test and based on their compass scores, students will be placed in appropriate mathematics courses. Successful completion (C- or better) of any math course is required in order to advance to the next higher level math course.

~ Prior to Graduation, all students entering after Summer 2008, must receive credit for MTH 103 - Introduction to Algebra, or any math course above MTH 103, or a Compass Algebra score of above 30, or an ACT score above 20.

The college strongly recommends that students in the Associate Degree Nursing program be covered by hospitalization insurance, which can be purchased either through a private carrier or through the college-sponsored insurance program. To obtain an application for the college-sponsored insurance program, contact the Admissions Office (419-755-4761).
