

# Teaching Learning Technology Roundtable (TLTR)

## 5-24-06 Meeting Minutes

Present: Chuck Stickleman, Carmen Morrison, Ken Ekegren, Mike Renock-Welker & Gina Kamwithi

\*User Groups - Mike reported the status of User Group/Task Force formation:

-DL Team - Meeting fairly regularly/already established

-Open Source Users Group - Held 2 meetings and have worked through their initial agenda worksheet: Chairs-Chuck Stickleman, Ross Justice & Mike Renock-Welker

Mission Statement-"Educate on and stay aware of emerging, non-proprietary computing technology. To provide unfettered and equal access to quality teaching and learning opportunities.  
6 Mos Goals - host a brown bag oss lunch, have an open source e-mail/web kiosk station created/maintained by students, Prof Development day demo/workshop & explore opportunities with GIMP image editor

1 year goals - Have an open source site, help toy time utilize open source in their computer refurbish, have an Open source station in the fallerius lab created and maintained by students, have an open source science fair and/or install fest, network with community open source users group & business partnerships

Progress markers - Stats of usage, attendance, membership & how many

College groups/individuals to liaison with to achieve goals - CIS Dept, CIS students, Tech writing/English dept & DMT dept.

Group Needs - TLTR approval

Effectiveness assessment - awareness and usage of Open source products

How often should this group meet - As needed... initially once a month face to face and perhaps more online

Next User Group meeting - June 12

- Classroom tech - Mike shared that Cindy has called a meeting for 5/31 and she and he are recruiting members to attend

-Future Technology - Ken stated he will try and get that rolling in Fall

-Info Literacy - Carmen met with Bev Walker and is talking with Kate Peresie on who will lead the charge on this -- hope to meet in Summer?

- Digital Divide - Organizational Meeting set for June 14.

-?Privacy/Security - no update

--Tech Newbies - no update

-- Blackboard User Group - Carmen hopes to try and get an organizational meeting together over the summer

-?Adjuncts - no update

-Brown Bag Lunches - It was decided that partly as a recruitment device and also to share the responsibilities and offer a variety of focused topics, that a different user group or task force should host a series of regular TLTR Brown Bag lunches starting in Fall. A tentative schedule was set for the last Friday of each month at noon as follows:

- 9/29 - Open Source
- 10/27 - Classroom Tech.
- 11/17 (due to holiday) - DL

- Workbook Task 7 - Projects and timelines -- Began initial brainstorming of projects to improve teaching and learning. Will continue task at next Meeting

- Next TLTR Meeting - Wednesday, June 21, Noon-2pm - 127 Fallerius
