## Community Partners

The collaboration between early childhood staff, families, and community agencies builds positive relationships. These relationships support parents' progress toward their goals for themselves and their children. Community partners provide culturally and linguistically responsive services and helpful resources. They are available to work with families and early childhood providers on such goals as parents' educational advancement, economic mobility, and other aspects of family well-being. Community engagement promotes positive, enduring change for children, families, and communities in accordance with the Office of Head Start Parent, Family, and Community Engagement Framework.
