Promoting Regional Success in
Learning, Work and Enrichment

North Central State College exists for the citizens of its service region to have the knowledge and skills to succeed in their chosen path for learning, work, or enrichment, sufficient to justify available resources.

Equal Opportunity/Diversity - The proportion of students from economically or educationally disadvantaged backgrounds is at least equivalent to the proportion in the local communities.

Job Readiness - Students prepared for employment success will have the knowledge of occupational choices, skills, work habits, and job leads necessary for economic self-sufficiency.

High Demand/Emerging Technologies - Students are capable of successfully performing in a variety of roles in business and industry including high demand and emerging technology industries.

Career Development - Students acquire, maintain, and enhance job skills that remain relevant in changing jobs markets.

Transferability - Students prepared for advanced academic success will have the ability and the prerequisite academic experience sufficient for entry into a four-year college or university.

Enrichment - Enrichment opportunities exist to reflect community needs and values.
